### Bond Election Pledge

To Our Taxpayers,

In an effort to introduce more transparency into local spending and debt obligations, Friendswood Independent School District pledges to post details about the District's bond and debt information on the District's website no later than one business day after the public notice of the bond election. This information will include details about the bond package(s) up for vote and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

The District further pledges to notify the Comptroller's office via email to [Transparency@cpa.state.tx.us](mailto:Transparency@cpa.state.tx.us) when the bond election information has been posted to the District's website. The email will include a link to the bond election information.

Friendswood ISD has no upcoming bond elections at this time.
