FOREWORD

The quality reputation of the Friendswood Independent School District is one important reason families are attracted to this community. The harmonious relationship existing between the school district and the community, and the quality of FISD staff are two factors that ensure our tradition of high student achievement. Student success is the district's number one goal. In order to continue the tradition of exemplary student performance, it is essential that all employees be aware of the district's policies and procedures. This handbook is intended to summarize the major topics addressed in the Board Policy Manual and explain selected administrative procedures of the Friendswood Independent School District.

The Friendswood Independent School District Employee Handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide and a brief explanation of district policies and procedures related to employment. Not all district policies and procedures are included. These policies can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. The Board Policy Manual should be consulted as the official source of information. District policies can be accessed online at www.myfisd.com.

Additional specific information for the departments of Food Service, Custodial, Maintenance, and Transportation may be provided to auxiliary staff under separate cover.

This Employee Handbook can never replace personal communications related to personnel or policy issues. Please feel free to contact your supervisor or the Human Resources Department in the Administration Building with any questions.

Mission Statement:

Friendswood ISD will lead to achieve
excellence in all endeavors.

Character Education K-12 in Friendswood Independent School District

Character education has been an important program in Friendswood schools for many years. In 1987, community representatives cooperatively identified a group of character traits, or values, which are held in common by all members of the Friendswood community. The Board of Education directed that those values be emphasized in FISSD school and integrated into the instructional program whenever appropriate. Ethics Education in our schools is encouraged in order to foster the following results for students:

1. Raise self-esteem
2. Promote self discipline and responsible behavior
3. Improve decision-making and problem-solving skills
4. Instill positive attitudes and values

It is not the District's intent to teach or to give religious instruction of any kind, nor to implement "values clarification", nor to be limited by any partisan bias that does not reflect the values of the majority of this community. Each person's individual right to privacy will be respected at all times.

The community has chosen these values held common in our community and that need to be emphasized in the schools.

See Board Policy Section B

The Friendswood I.S.D. Board of Trustees is an unsalaried, elected body which functions under the laws of the State of Texas and the policies established by the Board. The Board is a policy making body which has the power to govern and oversee the management of the District's schools. It is legally responsible for the education of students and makes all major District Policy decisions. Trustees are elected at-large. They must be registered voters and reside within the District. Written notices of meetings will be posted at the Administration Building 72 hours before the scheduled meeting. All meetings are open to the public. In certain circumstances, Texas law permits the board to go to a closed session from which the public and others are excluded. Additionally, internal applicants should attach a resume and letter of interest to the application or send those two items directly to Human Resources.**

SELECTION PROCEDURES

Applicants for contractual or non-contractual positions may be interviewed by the Superintendent, Central Office Staff, Department Head, the campus Principal, and members of the teaching team. The Principal has authority to approve all staff appointments to his/her campus. When a selection is made, the individual will be recommended by the appropriate administrator to the Superintendent for recommendation to the Board of Trustees.

All staff members are employed subject to assignment and reassignment by the Superintendent or designee when the Superintendent determines that the assignment or reassignment is in the best interest of the district. Any employee may request reassignment within the District to another position for which he or she is qualified. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Any change in an employee's contract shall be in accordance with Policy DC.

TRANSFERS

Request for a transfer may be filed with the Human Resources department when the District has identified a campus or program change and is accepting transfer requests. Final approval will be made by the Superintendent.

CONTRACT & NON-CONTRACT EMPLOYMENT *Policy DC Series*

CONTINUING CONTRACTS

Full time professional employees hired under a continuing contract prior to July 1, 1995 shall remain on a continuing contract as long as the employee remains in the same position.

PROBATIONARY CONTRACTS

Full time nurses and professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one year. For those with less experience, the probationary period will be three school years, with an optional fourth school year if the Board determines it is doubtful whether a term contract should be given. Teachers hired for a dual assignment, i.e. teacher/coach, will be employed following the same probationary periods and be issued a Dual-Assignment Contract.

TERM CONTRACTS

Full time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. Employment policies can be accessed online or copies will be provided upon request.

NONCERTIFIED PROFESSIONALS

Employees in professional and administrative positions that do not require SBEC certification may be employed by a professional contract or employment agreement. Those on professional contracts or employment agreements are not subject to the provisions for nonrenewal or termination under the Texas Education Code.

CONTRACT CONSIDERATION

Contracts for administrative employees are usually considered at the February Board meeting. Contracts for other professional employees are usually considered at the April Board meeting.

PARAPROFESSIONAL AND AUXILIARY EMPLOYEES

All paraprofessional and auxiliary employees, regardless of certification, are employed at-will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district. A letter of reasonable assurance is notification of continued employment with the District will be offered to auxiliary and paraprofessional employees. At-will employees serve a 90-day probationary period, but remain as at-will employees following the satisfactory completion of the probationary period.

CERTIFICATION AND LICENSES *Policies DBA, DF*

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Department in a timely manner.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks.

SEARCHES AND ALCOHOL AND DRUG TESTING *Policies CQ, DHE*

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is a reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned computers, lockers, and private vehicles parked on district premises or work sites or used in district business.

Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Full time classroom teachers will have planning periods for instructional preparation including conferences. The schedule for planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. NOTIFICATION TO PARENTS REGARDING QUALIFICATIONS

The Every Student Succeeds Act (ESSA) requires school districts to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. A written disclosure is required from any teacher who is providing private tutoring of District students for pay. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

A teacher shall not provide private tutoring for pay for any student enrolled in his/her class(es).

PERFORMANCE EVALUATION *Policy DN Series*

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All District employees shall be periodically appraised in the performance of their duties.

TEACHER APPRAISAL SYSTEM *See Policy DNA*

The Friendswood M-TESS (Mustang Teacher Evaluation & Support System) is a locally developed appraisal system that allows teachers the opportunity to be appraised by formal and informal walkthroughs and other relevant documentation, such as student performance, classroom management, professional development, and leadership.

All teachers shall receive a 45-minute scheduled observation at least once every three years and a summative appraisal using all domains of the M-TESS system. All teachers shall receive at least one formal walkthrough every year and shall be required to complete Domain 4 on professional growth and development.

Teachers may be eligible to be appraised without an annual formal 45-minute observation if he or she has been employed by the District for more than two consecutive years, achieved a rating of Meets Expectations or higher on the most recent summative appraisal, has not been placed on a growth plan, and who has not had any concerns expressed by his or her appraiser. The summative annual appraisal document for a teacher not using the complete M-TESS shall include Domain 4 and the Educator Goal Setting and Professional Development Plan.

Domains I-IV may be scored for teachers not scheduled to be appraised in the complete PDAS using data from walkthroughs, as long as the documentation has been shared with the teacher.

At any time, a principal may determine that a formal 45-minute observation is needed even in a year in which a teacher has not been scheduled to be appraised in Domains I-IV. In the event a principal determines a 45-minute observation is needed in an unscheduled year, the principal shall notify the teacher in writing of the principal's intent to formally observe instruction during a 45-minute observation at least ten days prior to any observation, but the actual observation may not be scheduled. The result shall be a summative evaluation reflecting all domains of the M-TESS system.

The District shall establish an appraisal calendar each year.

EMPLOYEE INVOLVEMENT *Policies BQA, BQB*

The district offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision making process, employees may serve on district or campus level advisory committees. Some committee on which employees may serve include:

- Friendswood Educational Improvement Committee (District Site-Based Committee elected by campus)
- Textbook Selection Committees
- Numerous Campus Committees
- Technology Committees
- Safety Committee
- Campus Site-Based Decision Committees

If interested in serving on one of these committees, a staff member should contact the campus principal or department head.

STAFF DEVELOPMENT *Policy DMA*

Staff development activities are organized to meet the needs of employees and the district. Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

COMPENSATION AND BENEFITS

SALARIES, WAGES, AND STIPENDS *Policies DEA, DEAA, DEAB*

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. The Superintendent develops and recommends to the Board for adoption a pay system for all District personnel. Copies of the District's salary schedules are available from the Human Resources department.

Notice of assignment and salary information is viewable through Skyward Employee Access. Base salary and supplemental pay for additional duties are delineated. The information is for computational purposes only and does not constitute a contract. Employees should contact the Human Resources department for more information about the district's pay schedules or their own pay.

All district positions are classified as exempt or nonexempt according to federal law.

EXEMPT EMPLOYEES

Professional employees and academic administrators are generally classified as exempt. They are not entitled to overtime compensation.

Full time classroom teachers, librarians, nurses, and counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

NON-EXEMPT EMPLOYEES

Other employees are generally classified as non-exempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. Non-exempt employees who work 37.5 hours shall receive hour-for-hour compensatory time for extra hours worked up to 40 hours per week.

Non-exempt employees shall not work overtime without prior approval of their supervisor. An employee who works overtime without prior approval is subject to discipline but shall be compensated in accordance with the FLSA. Compensatory time earned by non-exempt employees may not accrue beyond a maximum of 20 hours. At the District's option, nonexempt employees may receive compensatory time off, rather than overtime pay, for overtime work. The employee shall be informed in advance if overtime hours will accrue compensatory time rather than pay.

OVERTIME COMPENSATION

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. Sunday and ends at 11:59 p.m. Saturday.

Employees may be compensated for overtime at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all non-exempt employees:

- Employees can accumulate up to 20 hours of comp time.
- Comp time must be used in the duty year it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- Employees may be required to use comp time before using available paid leave (e.g. sick, personal, vacation).
- Weekly time records will be maintained on all non-exempt employees for the purpose of wage and salary administration.

CATEGORIES OF PAY

BASE PAY

As per Board approved salary schedule.

GRADUATE HOUR PAY

In an effort to encourage teachers to earn advanced degrees, FISD has established a financial incentive. Professional personnel shall be paid \$20 annually for each semester hour of college or university graduate level coursework (maximum 24 hours) earned above the Bachelor's degree. Teachers must be fully certified to be eligible to receive graduate hour compensation. Teachers holding Probationary certificates are not yet fully certified by the state and therefore not eligible until they receive a Standard certificate.

Official transcripts for all hours must be on file in the Human Resources department. Payment for these hours will be on the first payday of December. For those individuals unable to provide official transcripts by the deadline for the December payment, a June payment will be offered.

SUPPLEMENTAL PAY

A District approved supplemental pay schedule is applied to extra duty assignments, i.e. coaching, team leader, etc.

PAYCHECKS

Direct Banking Deposit is required for all employees. Employees will need to complete necessary paperwork in the payroll office. All employees will be paid on a 24 pay period schedule.

Pay dates are normally on the 5th and 20th of each month. If those dates fall on a Saturday, Sunday, or federal holiday, the payday will be the last available banking day before the holiday. For paydays that occur during a District holiday such as Christmas break, etc., the regular payday schedule will be followed.

In order to draw summer pay in a lump sum payment on June 20th, an employee must be terminating employment and request the payoff by June 1 in writing to the Human Resources department.

PAYROLL DEDUCTIONS *Policy CFEA*

Required Deductions

The district is required to make the following automatic payroll deduction:

- Teacher Retirement System of Texas (TRS) or the Premier Plan (retirement plan for part-time, temporary and seasonal employees, including substitutes).
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired in this district after March 31, 1986)

BENEFITS

The information provided on the group insurance benefits available for all regular employees of the Friendswood Independent School District is a summary. The purpose is to make sure that the participants understand their options and rights under the plans. If there is any conflict between any plan summary and its contract or master policy, the contract or master policy will prevail. Claims determinations are made by the individual insurance companies.

The plan year for benefits programs runs September 1 through August 31. Questions about insurance matters should be addressed to the Benefits Coordinator 281-482-1267.

GROUP HEALTH INSURANCE *Policy CRD*

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. - Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week.

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance.) A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

ADDITIONAL EMPLOYEE BENEFITS:

COBRA

Administration of COBRA Health benefits is handled by Aetna. All questions should be directed to Aetna at 1-800-222-9205.

TUITION-FREE ATTENDANCE *Policy FDA*

UNEMPLOYMENT COMPENSATION *Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service.

WORKERS' COMPENSATION INSURANCE *Policy CRE*

The District, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law, depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the campus nurse or immediate supervisor and Tara Langston, FISD Benefits Coordinator. Employees who are unable to work due to a

work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. Worker's Compensation claims are administered by the Texas Association of School Boards (TASB) at 1-800-482-7276.

RETIREMENT

All personnel employed on a regular basis for at least one-half of the normal work schedule are members of the Texas Teacher Retirement System (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov).

REIMBURSEMENT AT RETIREMENT *Policy DEC*

Current Compensation at Retirement Plan

The District shall establish a retirement program fund limited to 1.0 percent of the total District budgeted salaries for the current year. If a balance remains from any year, the amount shall be added to the percent allocated the next year, not to exceed a total of \$100,000 plus the 1.0 percent salary factor. Employees who take full retirement with the Texas Teacher Retirement System (TRS) with a combination of age and service years equal to 80 or more shall be compensated for accumulated local sick leave accrued while employed by the District at 50 percent of their daily wage at the time of retirement. A retiring employee may be compensated for no more than the number of workdays for one contract year or the number of duty days specified for the position, whichever is appropriate.

Former Reimbursement At Retirement Plan

The Board rescinded the reimbursement-at-retirement plan effective at the end of the 2005-06 school year. Eligibility was determined for individual employees during the 2005-06 school year and the former reimbursement at retirement plan does not apply to any other employees. The eligible employees who meet the retirement requirements established by the former plan shall be allowed to retire at any time under the conditions of the former plan. The retiring employee's benefits shall be calculated using the 2005-06 base salary and local sick leave earned through August 31, 2006.

LEAVES AND ABSENCES

Policies DEC, DECA, DECB

The District offers employees paid and unpaid leaves of absences in times of personal need. This handbook describes the basic types of leave available and restrictions on leave of absence. Employees who expect to be absent for an extended period of more than five days should call the Human Resources department for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the District.

Leave must be used in half or whole day increments. The District may require earned comp time to be used before any available paid state and local leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the District after six months of unpaid leave, other than FML. If an employee's unpaid leave extends for more than six months, the employee will receive notice of COBRA rights.

REPORTING ROUTINE ABSENCES

When employees are absent from duty they must notify the supervisor to whom they report directly or designee by 6:30 am or earlier on the day they are to be absent. If the employee is absent more than five consecutive workdays, documentation from a physician is required. Employees are required to enter absences into the Skyward Time Off system. If the employee is unable to enter the absence, he/she is to seek assistance from the campus or department secretary. Employees requiring a substitute must also make the entry in the AESOP substitute calling system.

RETURN FROM ABSENCE

An employee absent more than five consecutive workdays because of personal illness shall submit, upon return to work, a physician's statement indicating his or her fitness to return to work. An employee absent more than five consecutive workdays because of illness in the immediate family shall present, upon return to work, medical certification of the family member's illness.

AVAILABLE LEAVE BANKS:

STATE PERSONAL LEAVE

A state minimum personal leave program consisting of five days per year of personal leave, with no limit on accumulation and no restrictions on transfer among Texas school districts shall be provided for school district employees. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

NONDISCRETIONARY LEAVE

Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary leave may be used in the same manner as state sick leave.

DISCRETIONARY LEAVE (PERSONAL BUSINESS LEAVE)

The state provides 5 days of personal leave called discretionary leave.

1. USE OF DISCRETIONARY LEAVE

Discretionary personal leave shall be granted on a first-come, first-served basis, with a maximum of ten percent of campus employees permitted to be absent at the same time for discretionary personal leave. The supervisor or designee shall consider the effect of the employee's absence on the educational program or district operations, as well as the availability of substitutes.

2. REQUEST FOR LEAVE

A notice of request for discretionary personal leave shall be submitted in writing to the immediate supervisor or designee in advance of the anticipated absence. Requests for more than five consecutive days shall be made directly to the Superintendent.

3. DURATION OF LEAVE

Discretionary personal leave may not be taken for more than five consecutive workdays without Superintendent approval. No more than ten days of discretionary leave may be used per school year.

4. SCHEDULE OF LIMITATIONS

Discretionary leave shall not be allowed on the day before or after a grading period, the day before a school holiday, the day after a school holiday, days scheduled for end-of-semester or end-of-year exams, or on days scheduled for state or standardized tests, unless approval is granted by the campus Principal or department Director. Discretionary leave shall not be allowed on days scheduled for professional or staff development, unless approval is granted by the Assistant Superintendent.

STATE SICK LEAVE

State sick leave was only accumulated before May 30, 1995. It has not been extended to any employee after that date. For those employees who accumulated state sick leave, it is available for use at the beginning of the school year and may be transferred to other school districts in Texas. State sick leave can be used only in half day or whole day increments, except when coordinated with family and medical leave taken on an incremental or reduced-schedule basis or when coordinated with workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life threatening situations)
- Death in the immediate family
- Active military service

LOCAL SICK LEAVE

All full-time regularly employed persons shall earn an additional five, six, or seven workdays of local sick leave per school year, for positions normally requiring 10,11,12 months of service per year, respectively.

All part-time regularly employed persons shall earn local sick leave on the basis of the length of their workdays.

1. For positions normally requiring three hours of service per day, employees shall earn five three-hour days per year, for a total of 15 hours of leave.
2. For positions normally requiring four hours of service per day, employees shall earn five four-hour days per year, for a total of 20 hours of leave.

Local sick leave shall accumulate without limit. It is not transferable to other school districts. Local leave shall be used according to the terms and conditions of State Personal Leave.

AVAILABILITY AND LEAVE PRORATION

State Personal Leave and Local Leave are available for use at the beginning of the school year. If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day

of the school year, the employee's final paycheck will be reduced by the amount of state personal leave or local leave the employee used beyond his or her pro rata entitlement for the school year.

USAGE

Employees will select the leave bank to which the absence is to be charged each time an absence from duty is entered.

SICK LEAVE DONOR PROGRAM

All fulltime employees may participate in the "Friends Helping Friends", Sick Leave Pool. Refer to the Board Policy manual, Donor Program manual, or contact the Human Resources department for information.

FAMILY MEDICAL LEAVE (FML) – General Federal Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the District has adopted to implement the FMLA follows this general notice.

Basic Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
 - To care for the employee's child after birth, or placement for adoptions or foster care;
 - To care for the employee's spouse, son or daughter, or parent who has a serious health condition;
- or
- For a serious health condition that makes the employee unable to perform the employee's job

Military Family Leave Entitlements. An eligible employee whose spouse, son, daughter, or parent is on covered active duty or called to covered active duty status may use his or her 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period.

A covered service member is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

*The FMLA definitions of "serious injury or illness" for current service members and veterans are distinct from the FMLA definition of "serious health condition."

Benefits and Protections. During FML, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Uses of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements. Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

*Special hours of service eligibility requirements apply to airline flight crew employees.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupts the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the district's normal paid leave policies.

Employee Responsibilities. Employees must provide 30 days' advance notice of the need to take FML when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees must also inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility. Covered employers must inform employees if leave will be designated as FML and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

Unlawful Acts by Employers. The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.

FAMILY AND MEDICAL LEAVE – LOCAL PROVISIONS

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period from August 1 through July 31.

Use of Paid Leave

FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses

Spouses who are employed by the District are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave

When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The District may permit use of intermittent or reduced schedule FMLA leave for the care of a newborn or the adoption or placement of a child with an employee. Intermittent leave must be taken in half or full day increments.

District Contact

Employees that require FML or have questions should contact the Human Resources department for details on eligibility, requirements, and limitations.

TEMPORARY DISABILITY LEAVE

Any full-time employee whose position requires certification from the State Board of Educator Certification (SBEC) or by the District is eligible for temporary disability leave. All other employees are eligible for unpaid temporary disability leave after the completion of a 90-day probationary period. The purpose of temporary disability leave is to provide job protection to employees who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating the probable date of return. If disability is approved, the length of leave is no longer than 180 days. For absences of more than 30 days, medical recertification may be required.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the Board of Trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Human Resources department should be notified at least 30 days in advance. The employee must provide a physician's statement confirming the employee is able to resume regular responsibilities.

WORKERS COMPENSATION BENEFITS

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days. An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or –injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or –injury wage.

ASSAULT LEAVE

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

BEREAVEMENT LEAVE

In the event of a death in an employee's immediate family, the District shall grant the employee as many as five days of local bereavement leave prior to the use of any sick days or personal business days assigned for the current school year. One day of the bereavement leave must be used the day of the funeral or adjacent to the day of the funeral. The campus principal or director shall provide approval for such leave.

RELIGIOUS OBSERVANCES

The District shall reasonably accommodate an employee's request to be absent from duty in order to participate in religious observances and practices, so long as it does not cause undue hardship on the conduct of District business. Such absence shall be without pay unless applicable paid local leave or state discretionary leave is available.

JURY DUTY

An employee shall be granted leave with pay and without loss of accumulated leave for jury duty. The employee shall be required to present documentation of the service and shall be allowed to retain any compensation for this service. Employees who are released from jury duty before the noon hour are expected to return to work for the remainder of the day.

OTHER COURT APPEARANCES

Absences for court appearances related to an employee's personal business shall be deducted from the employee's discretionary personal business leave or shall be taken by the employee as leave without pay.

COMPLIANCE WITH A SUBPOENA

The employee will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

MILITARY LEAVE

Paid Leave for Military Service

Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United State Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave for authorized training or duty orders. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave

Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the period of time specified by law to the Human Resources department. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits department for details on eligibility, requirements, and limitations.

SPECIAL LEAVE OF ABSENCE

A leave of absence for a period of one teaching year beginning with the fall semester shall be available to all employees with at least four consecutive years of service in the District, subject to the following conditions:

1. This leave shall apply to use for higher education, child care, research, or field research.
2. The District is not responsible for compensation for salary or insurance coverage during a leave of absence.
3. A leave of absence is subject to the approval of the Superintendent and the Board.
4. Upon completion of a leave of absence, the employee is guaranteed employment within the system with no loss of credit to service.
5. The individual taking a leave of absence shall not lose any leave accumulated.
6. An employee shall not be eligible for this leave immediately following a special child care leave.

SPECIAL CHILD CARE LEAVE

Child care leave for a period of one teaching year shall be available to persons who have been employed with the District for a period of no less than two consecutive years, subject to the following conditions:

1. Child care leave is subject to the approval of the Superintendent and the Board.
2. The District is not responsible for compensation for salary or insurance coverage during child care leave.
3. The District shall give the employee who has taken a child care leave preference in employment upon application for an existing vacancy. The District does not guarantee employment to a person who takes child care leave.
4. An employee who takes child care leave shall not lose accumulated leave under the regular leave policy.
5. An employee shall not be eligible for this leave immediately following a special leave of absence.

TERMINATION AFTER LEAVE EXHAUSTED

The District shall pursue termination when an employee is no longer on an approved leave and has not returned to work. A non-professional at-will employee shall be automatically terminated. For professional at-will and professional contract employees, failure to return from leave may constitute good cause for termination.

EMPLOYEE RELATIONS AND COMMUNICATIONS

EMPLOYEE RECOGNITION AND APPRECIATION

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the District. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include service pins awarded to employees for every five years of completed service in the District.

DISTRICT COMMUNICATIONS

Throughout the school year, the Public Information office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

EQUITY AMONG CAMPUSES

The Friendswood ISD will not reduce local funding based on federal assistance, which is a violation of federal requirements and jeopardizes those federal funds. The district will ensure equivalence among schools in teachers, administrators, and other staff and in the provision of curriculum materials and instructional supplies. If any of these are found to be inadequate, appropriate measures will be taken to remedy the situation.

COMPLAINTS AND GRIEVANCES

See Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the Board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the Board of Trustees.

For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

COMPLAINTS

In this policy, the terms "complaint" and "grievance" shall have the same meaning.

OTHER COMPLAINT PROCESSES

Employee complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with DGBA after the relevant complaint process:

1. Complaints alleging discrimination, including violations of Title IX (gender), Title VII (sex, race, color, religion, national origin), ADEA (age), or Section 504 (disability), shall be submitted in accordance with DIA.
2. Complaints alleging certain forms of harassment, including harassment by a supervisor and violation of Title VII, shall be submitted in accordance with DIA.
2. Complaints concerning retaliation relating to discrimination and harassment shall be submitted in accordance with DIA.
3. Complaints concerning instructional materials shall be submitted in accordance with EFA.
4. Complaints concerning a commissioned peace officer who is an employee of the District shall be submitted in accordance with CKE.
5. Complaints concerning the proposed nonrenewal of a term contract issued under Chapter 21 of the Education Code shall be submitted in accordance with DFBB.
6. Complaints concerning the proposed termination or suspension without pay of an employee on a probationary, term, or continuing contract issued under Chapter 21 of the Education Code during the contract term shall be submitted in accordance with DFAA, DFBA, or DFCA.

NOTICE TO EMPLOYEES

The District shall inform employees of this policy through appropriate District publications.

The Board encourages employees to discuss their concerns with their supervisor, principal, or other appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, including deadlines for filing a written formal complaint, except by mutual written consent.

DIRECT COMMUNICATION WITH BOARD MEMBERS

Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

FORMAL PROCESS

An employee may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

FREEDOM FROM RETALIATION

Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint.

WHISTLEBLOWER COMPLAINTS

Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Time lines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

COMPLAINTS AGAINST SUPERVISORS

Complaints alleging a violation of law by a supervisor may be made to the Superintendent or designee. Complaint forms alleging a violation of law by the Superintendent may be submitted directly to the Board or designee.

GENERAL PROVISIONS:

FILING

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including e-mail and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

SCHEDULING CONFERENCES

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the employee fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the employee’s absence.

RESPONSE

At Levels One and Two, “response” shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the employee’s e-mail address of record, or sent by U.S. Mail to the employee’s mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

DAYS

“Days” shall mean District business days, unless otherwise noted. In calculating time lines under this policy, the day a document is filed is “day zero.” The following business day is “day one.”

REPRESENTATIVE

“Representative” shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process.

The employee may designate a representative through written notice to the District at any level of this process. If the employee designates a representative with fewer than three days’ notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District’s counsel. The District may be represented by counsel at any level of the process.

For a grievance alleging a violation of law by a supervisor, the employee’s representative may participate in person or by telephone conference call.

CONSOLIDATING COMPLAINTS

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints.

UNTIMELY FILINGS

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

COSTS INCURRED

Each party shall pay its own costs incurred in the course of the complaint.

COMPLAINT AND APPEAL FORMS

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be re-filed with all the required information if the re-filing is within the designated time for filing

AUDIO RECORDING

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee’s complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

LEVEL ONE

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the

Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL THREE

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

EMPLOYEE CONDUCT AND WELFARE

STANDARDS OF CONDUCT *Policy DH*

All employees are expected to work together in a cooperative spirit to serve the best interest of the district and to be courteous to students, one another, and the public. Employees are expected to observe the following standards of conduct:

- e. Whether the communication was sexually explicit; and
- f. Whether the communication involved discussion(s) of the physical or sexual attractiveness or the sexual history, activities, preferences, or fantasies of either the educator or the student.

VIOLATIONS OF STANDARDS OF CONDUCT

Violations of any policies, regulations, or guidelines may result in disciplinary action including termination of employment.

DISCRIMINATION, HARASSMENT, AND RETALIATION *Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

An employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor or campus principal. Alternatively, the employee may report the alleged acts to the Title IX coordinator – Leah Tunnell, the ADA/Section 504 coordinator - Karen Deshotel, or the Superintendent - Trish Hanks.

HARASSMENT OF STUDENTS *Policies DH, DHB, FFG, FFH*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment or abuse of a student will be reported to the student's parents and promptly investigated. An employee who knows of or suspects abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

The District's policy of solicitation of a romantic relationship in DF Legal and text of FFH Local are reprinted below:

DEFINITION OF SOLICITATION OF A ROMANTIC RELATIONSHIP

Policies DF Legal and FFH Local

"Solicitation of a romantic relationship" means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator's job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:
 - a. The nature of the communications;
 - b. The timing of the communications;
 - c. The extent of the communications;

- d. Whether the communications were made openly or secretly;
- e. The extent that the educator attempts to conceal the communications;
- f. If the educator claims to be counseling a student, SBEC may consider whether the educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and
- g. Any other evidence tending to show the context of the communications between educator and student.

2. Making inappropriate comments about a student's body, creating or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images.

3. Making sexually demeaning comments to a student.

4. Making comments about a student's potential sexual performance.

5. Requesting details of a student's sexual history.

6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the educator.

7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party.

8. Inappropriate hugging, kissing, or excessive touching.

9. Providing the student with drugs or alcohol.

10. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage.

11. Any other acts tending to show that the educator solicited a romantic relationship with the student.

19 TAC 249.3(51)

SEXUAL HARRASSMENT OF A STUDENT

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DF]

REPORTING SUSPECTED CHILD ABUSE *Policies DG, DH, DHB, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline, or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information was necessary to protect the health and safety of another child or disabled person.

Reports to Child Protective Services can be made to the Texas Abuse Hotline 800-252-5400. State law specifies that an employee may not delegate to rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and child neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

SEXUAL ABUSE AND MALTREATMENT OF CHILDREN

The District has established a plan for addressing sexual abuse and maltreatment of children, which may be accessed in the District Improvement Plan on the District website. Additional information is available in EduHero. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in Reporting Suspected Child Abuse.

REPORTING CRIME *Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the District to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

TECHNOLOGY RESOURCES *Policy CQ*

The district's technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the District
- Does not unduly burden the District's technology resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the District's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Technology Department.

PERSONAL USE OF ELECTRONIC MEDIA *Policies CQ, DH*

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the District's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - Confidentiality of student records. [See policy FL]
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]

- Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA}
- Copyright law [See Policy CY]
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

USE OF ELECTRONIC MEDIA WITH STUDENTS *Policy DH*

In accordance with administrative regulations, a certified or licensed employee, or any other employee designated in writing by the Superintendent or campus principal, may use electronic media to communicate with currently enrolled students about matters within the scope of the employee's professional responsibilities. All other employees are prohibited from using electronic media to communicate directly with students who are currently enrolled in the District. The regulations shall address:

- Exceptions for family and social relationships;
- The circumstances under which an employee may use text messaging to communicate with students and
- Other matters deemed appropriate by the Superintendent or designee.

Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates through text messaging shall be required to include at least one of the student's parents or guardians as a recipient so that the student and parent receive the same message. As an alternative to sending a message to the student's parent, the employee may send a copy of the message to his or her own district e-mail address in order to retain a printable record if the employee has a device that provides this capability.

Each employee shall comply with the district's requirements for records retention and destruction to the extent those requirements apply to electronic media. [See *policy CPC*]

The following definitions apply for the use of electronic media with students:

- *Electronic media* includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*; however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.

- *Certified or licensed employee* means a person in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media **except** text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. Employees who utilize text messaging must attach at least one of the student's parents as a recipient of the text. Thus, both student and parent(s) are receiving the same text. As an alternative to sending to parents, teacher, trainer, or other employee may send a copy of the text to the district e-mail system should they have a device that provides this capability. This allows retention

of the text as a written, printable record. The method selected is to be clearly communicated with parents prior to texting taking place.

- The employee does not have a right to privacy with respect to communications with students and parents.
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, including:
 - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL] to the extent possible.
 - Copyright law [Policy EFE]
- Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DHB]
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

CRIMINAL HISTORY BACKGROUND CHECKS *Policy DBAA*

Employees may be subject to a review of their criminal history record information at any time during employment. In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the Board has adopted orderly processes for handling complaints on different issues. Any campus office or the Superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student, upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

BULLYING *Policy FFI*

All employees are required to report student complaints of bullying to the campus principal or designee. The District's policy includes definitions and procedures for reporting and investigating bullying of students and is reprinted below:

Bullying Prohibited

The District prohibits bullying as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Definition

Bullying occurs when a student or group of students engages in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the District and that:

1. Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
2. Is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

This conduct is considered bullying if it:

- A. Exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and
- B. Interferes with a student's education or substantially disrupts the operation of a school.

Examples

Bullying of a student may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

Retaliation

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

Reporting Procedures

Student Report:

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, counselor, principal, or other District employee.

Employee Report:

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

Report Format

A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.

Prohibited Conduct

The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.

Investigation of Report

The principal or designee shall conduct an appropriate investigation based on the allegations in the report.

The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

Concluding the Investigation

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.

The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.

Notice to Parents

If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.

District Action

Bullying

If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.

Discipline

A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.

Corrective Action

Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.

Transfers

The principal or designee shall refer to FDB for transfer provisions

Counseling

The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.

Improper Conduct

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

Appeal

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.

Records Retention

Retention of records shall be in accordance with CPC(LOCAL).

Access to Policy and Procedures

This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's Web site, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.

HAZING

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, or has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
