

***Show your support for
Friendswood ISD Employees and
“get the word out about your
business at the same time”!***

Here’s how...

**Offer Friendswood ISD employees
exclusive special incentives and in
return, you will receive advertising on
our district website!**

If you are interested, please contact me with the Fisd employee incentives you will be offering. We will need a PDF of your business logo and a flyer about your business to put on the website. We will need a signed agreement that will be renewed each year you are participating in the Friends of Friendswood ISD.
