

Introducing the “Mustang Clinic”

*A health resource available to
Friendswood Independent School District (FISD)
employees, their spouses and children*

Friendswood Independent School District (FISD) and the University of Texas Medical Branch (UTMB Health) share a tradition of innovation and community partnerships. Working together, FISD and UTMB Health offer a special minor illness clinic for all FISD employees, their spouses and children called the “Mustang Clinic.” It is conveniently located at the UTMB Health clinic in Friendswood at 128 West Parkwood Avenue.

Program benefits:

- Same day appointments
- Clinical provider dedicated to program
- \$10 fee per visit
- Friendswood location:
128 West Parkwood Ave.
- Extended hours: 7 a.m. to 5 p.m.
- Convenient wallet card with services, hours and contact numbers
- Access to MyChart, UTMB Health’s electronic medical record system for lab results, secure communication with clinical team, prescription refills, medical history and more.
- UTMB Access Center support: Available 24/7, 365 days a year to help schedule appointments, answer your health questions or speak with a nurse.

The health care services included as part of the Mustang Clinic are:
