

Friendswood Mustang Booster Club

P. O. Box 505, Friendswood, TX 77549

For Immediate Release,

Friendswood High School has been chosen to host the 2014 State High School Division I and Division II Lacrosse Tournament. The Tournament will be held the weekend of May 3-4, 2014 at Henry Winston Stadium (702 Greenbriar Friendswood, TX) and will draw over 2000 spectators from Friendswood and across the greater Houston and Texas regions.

Both local and statewide audiences will be in attendance.

Lacrosse is the fastest growing sport in the United States. The community is invited to come out to see what its all about. Semifinals will be held on Saturday with the finals scheduled for Sunday morning and early afternoon.

Friendswood's lacrosse program has been growing steadily since 2006. In addition to a city youth league, Friendswood Junior High fields both a 7th and 8th grade team and Friendswood High School fields a women's lacrosse team along with Junior Varsity and Varsity men's teams.

Friendswood's program has some experience with hosting high-profile events. Last year the organization hosted the Lone Star Alliance Division I and II collegiate-level lacrosse playoffs including teams like the University of Texas and Sam Houston State. They also hosted the State High School Tournament in 2009.

Michael Staub, Varsity Head Coach of Friendswood High School's lacrosse program said. "We are honored to again host the state championships. Friendswood High School has worked hard to develop and maintain first class facilities, including our turf field, to be able to field high-level events such as the Texas State Championships," Michael Staub, Varsity Head Coach of Friendswood High School's lacrosse program said. "Our program has come so far in the past 8 years and we want to see lacrosse continue to grow throughout the state. We encourage everyone to come out to see some great competition and support these amazing student athletes."

Exact game times, qualifying team information can be found at www.friendswoodmustanglacrosse.com or www.texaslacrossechamps.org. Sponsoring information and any other community assistance information is also available at www.friendswoodmustanglacrosse.com. The Friendswood Mustang Booster Club is a 501(c)(3) organization.
