June 2018

The results from the STAAR tests are now posted in the Texas Student Portal. This letter will provide information on accessing your student’s score.

**Accessing your student’s score:**

To access the student portal parents must use the access code assigned to the student by the state.

**Skyward Method:**

1. Once you log into Skyward, you will select the “Portfolio.”

2. On the portfolio screen click on the link **Access Codes – Texas Assessment** and this will create a report with your code and provide the web address for the Texas Student Portal Site.

3. Please wait.

4. Click **View Report**.

5. Once the report has been opened, follow step 1 and 2 to access the Texas Assessment Data Portal. [https://txparentportal.emetric.net](https://txparentportal.emetric.net)
Portal Method:

1. Access [www.texasassessment.com](http://www.texasassessment.com) and click on **Find My Unique Student Access Code**

Once you are in the portal you will see your student’s results from 2018 as well as any historical results. If you click on the name of the test you will receive additional information about your child’s test results including their specific test questions. Click on **Download Report Card(s)** to access the STAAR Report Card.
