### NOTE TO ATTENDING PHYSICIAN:

Your patient has requested a medical leave of absence. Answer, fully and completely, all applicable parts. Several questions seek a response as to frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA or Temporary Disability Leave coverage. Limit your responses to the condition for which the employee is seeking leave. **Please be sure to sign the form at the bottom of the page.**
