Title	Course Description	Location	Day	Time	Dates
<b>Creativity in the Classroom</b> JH04   \$90   Grade 6-12	Do you like science? Do you like arts and crafts? Do you like helping your friends and fellow classmates succeed? Well then, this class is for you! In this class, we will be partnering working alongside our special education classes to help our students succeed and foster creativity. We will be creating books for the students to read as well as sensory toys and fidgets. The students will be able to make their own to take home as well. The members of the class will get the opportunity to work together as a team to create their own projects. They will become better problem solvers while developing their leadership skills. This class covers reading, language, math, and STEM in a differentiated environment! The last class will be held on Friday, March 6. (Connelley)	FJH 5101	M & W	4:15-5:15 PM	1/8-3/6
<b>Welcome to Friendswood</b> FD04   \$10   Adults	You're welcome: Come spend four evenings with community groups for an introduction into the life in Friendswood. If you are a newly immigrated family or an ESL family, join us to create bridges of understanding among each other and with professionals in Law, Health, Education, and nonprofit groups. Classes will meet: 1/29, 2/26, 4/30, 5/29 (Feaster)	Friendswood Public Library	W	6:00-7:00 PM	1/29-5/29
<b>Intro to Guitar</b> FD01   \$64   Age 10+	There are no prerequisites for this course; if you do not know how to read lead sheets, I will teach you. We will learn tab and musical notation, but we will primarily work from charts. A few things you can look forward to: 1. Cowboy chords and power chords 2. Guitar maintenance; changing strings, tuning, cleaning, and more. 3. Right-hand technique and strumming 4. 12-bar blues 5. Intro to lead; pentatonic and blues scales. 6. Self-accompaniment - singing while playing. (Stevens)	Bales Teachers Lounge	W	4:30-5:30 PM	2/5-4/29
<b>Gaining the College Edge: Getting on Schedule</b> HS01   \$110   Grade 11-12 and/or parents	These four sessions will be an introduction to the application process. We will inform parents and students about college application requirements, deadlines, assessments, and all other steps required to be ahead of the application submission process. We will then look at essay requirements and provide suggestions for writing unique personal essays and short answer responses. Current personal resume entries will be discussed, and students will be guided on how to best fill in the existing gaps. Students and parents will be guided to the SAT and ACT testing sites and we will provide insight on how and when to best approach these assessments. This course will also serve as a precursor to this summer's Gaining the College Edge Bootcamp when we will work with students to polish college essays and short answers and complete and submit college applications. (Hillier + Simons)	FHS 419	T	5:00-6:00 PM	2/4-2/25
<b>Gaining the College Edge: Jump Start</b> HS02   \$110   Age 15-16 and/or parents	These four sessions will be designed to guide 9th and 10th grade students and parents in the college application route. Understanding that a few requirements may change over the course of your time in high school, we will cover college research, high school course selection, community service, organization and club participation, employment, and other extracurriculars that will have you well on the way to a solid resume. We will also spend time looking at the SAT and ACT tests, so that you are up to date on testing scheduling and practice opportunities for these assessments. (Hillier + Simons)	FHS 419	T	6:00-7:00 PM	2/4-2/25

<b>Beekeeping</b> FD02   \$95   Age 18+	You can become a backyard beekeeper! Beekeeping is fun, interesting, and rewarding in many ways. Classes progress through all aspects of beekeeping, including equipment, bee behavior, honey, pests and diseases, seasonal maintenance, and apiary inspections. By the end of classes we can help you acquire your own bees in the spring, and hopefully you will even harvest honey this year! (Rogers, Certified Texas Master Beekeeper)	FHS 423	TH	7:00-9:00 PM	2/6-4/9
<b>Introduction To Sewing B</b> FD06   \$150   Age 10+	Learn the ins and outs of a sewing machine, how to sew a straight and zig zag stitch and make a drawstring bag, a scrunchie and more if we have time! All materials and a sewing machine are provided, but if you have your own machine feel free to bring it! (Niles)	Sparkly Elephant Sewing Lounge	TH	4:15-5:30 PM	2/6-2/27
<b>Martial Arts Adult</b> MA03   \$65   Age 11+	Learn techniques in art, sport, self-defense and self-confidence. Includes kidnap prevention and awareness. UNIFORMS ARE REQUIRED and may be purchased for \$30 (cash only, please) at the class. Registrations accepted the first three weeks of class. You may attend the first class free!! (Gray)	Bales Cafeteria	TH	7:30-8:30 PM	2/6-5/7
<b>Cooking Weeknight Meals</b> FD03   \$125   Age 18+	Cooking restaurant quality meals isn't hard if you have the right tools, techniques and recipes. This course is for anyone who would like to expand their skills in the kitchen to prepare fresh, fast, and tasty meals that won't take all night and make a mess of the kitchen. (Hervada) <b>Class #1</b> will be tools and techniques-focusing on different knife and cooking skills including a list of tools most commonly used in my kitchen. Nothing fancy is needed, just a few basic things. <b>Class #2</b> Risotto - the classic and elegant Italian rice side dish that can easily transform into a spectacular entree. It's not as hard as some may want you to think....learn the tips that will make it a regular in your kitchen. <b>Class #3</b> Chicken Piccata - turn basic chicken into something fantastic with a few ingredients and some simple techniques. This would pair perfectly with the risotto from class #2. <b>Class #4</b> Stuffed Peppers....learn to make recipes your own by building with ingredients of your choice...this preparation will be with beef, sausage, and vegetables but you'll learn how to easily turn it into your own specialty.	FHS Culinary	TH	7:00-8:30 PM	3/19-4/9
